“ *I was at F. C. 1983-1984 with Craig. He was always positive and encouraging. He even reminded me in my yearbook to keep God first in my life. I haven't seen him in years, but visited at the Embry Hills congregation a few times and he always remembered me. God called him home, but we'll all be together again.*

“ Jim and I went to college at Florida College with Billie and Gary and you will never meet a more dedicated christian couple. Later we knew Craig when he came to FC as a student. Our middle daughter Traci dated him a few times and told us what a fine young man he was. Our hearts go out to Craig's parents. We lost our oldest daughter to an auto accident in 2005. Losing a child is most difficult. But we will see them again one day. God bless you, Billie and Gary! We will keep your family in our thoughts and prayers. Jim and Barbara lamb

“ Dear Gary and Billie and family,

*Words cannot express how sorry we are about your loss of Craig. He always had a kind and encouraging word at the right time. I also enjoyed his sense of humor and his love for Alabama football. I have read many post from his friends and know that he had many who loved and appreciated him. I enjoyed being friends with him on Facebook and now I am so glad I was because I got to know him better for it. We know you have comfort knowing he was a faithful Christian. We will have your family in our thoughts, hearts and prayers during these sad times.*

*We love you,

“ Craig was so organized. He had noted on the congregational directory the date when he was invited to your home. He amazed me at that when he was very young. He also amazed me, with his dad, at putting ketchup on all his food, including biscuits and gravy. I told him that that was just not right, but then what can you expect from an Alabama fan. I love him dearly as well as his family. "When we all get to heaven, we'll sing and shout the victory!"

“ I remember meeting Craig through my sister Leah who is married to the brother of Gary and Billie Patton's daughter in law. Every time I saw Craig or met him after that, either at a function or at church when we visited Atlanta, he always has a smile, approached me and greeted me and was a joy to talk with almost like we were friends picking up where we left off. Although I did not personally know him nor was I close to him, I know and love his parents so much! I am saddened by his family's loss in his passing! We have hope and that is what we cling to! Our prayers are with the family!

“ Craig was my best friend all through high school and adult hood. I remember our great adventures in Atlanta, Staying up all night and talking. He was always there for me. He used to always say "I love you more" every time we talked. I was supposed to go see him this month but work schedules were rough. I will always miss you craig, I love you more now and for always.
