“ Curtis and his family have been our next door neighbors since 1991. They have extended an unmatched kindness to us from the moment we began building our home in 1990. If they had it to give, they did so, gladly. We will miss him (and Bernice), dearly. Our condolences to the family.##imported-begin##Sue and Bill Duckwall##imported-end##

“ My thanks to Ray for informing me of this sad day. So many memories rush in now from earliest childhood, the picture he showed us boys of his hot Ford, how I wanted to have hair like his, so much. My deepest regrets to the family, including Ray and my "princess", for your loss. I am sorry I can not be there with you.

“ My thoughts and prayers are with all the Jones family. For the past 40+ years Curtis has always been the same every time I'd see him. He always had a smile on his face and a warm hug for me. I've always felt as "family" from the first time we met. I loved Curtis and Bernice (and all the family) from the bottom of my heart and they will always hold a very special place in my heart and I'll cherish my memories of all the times we shared. Love and prayers to all of you.##imported-begin##Debbie Benson##imported-end##
