“ Our family has such fond memories of Cynda. At family functions, we could always count on a warm sincere welcome from her. She was a great listener, and always in tune to the conversation. Always reassuring and warm. She was truly a bright light wherever she was.

We pray Ray and the family will feel the Lords peace and comfort as they continue to live out her legacy. And that the sweet memories of her love for each of them will forever be in their hearts

“*Cynda was one of the nicest people I ever had the chance to get to know. I can't recall a single time I saw her without a smile on her face. I hate that we didn't have time together near the end of her life, but she will always be remembered fondly. Rest in Peace Cynda.*

“*I feel blessed to have worked alongside Cynda over the years at Northpoint. How the years rush by us and before realizing it many friends you enjoyed like her have passed. I missed her and I am sad that I didn't take the time to see her after leaving Northpoint. I always felt safe knowing she was guarding the front office. What a sweet person she was to represent our church to the inquiring ones who called upon our services daily. She took her job seriously! Cynda, I pray to see you one day and catch up.
