

Cynthia Kessel Hollingsworth

March 31, 1965 - June 17, 2014

Cynthia Kessel Hollingsworth left us suddenly on June 17, 2014 and heaven has received an angel. Cindy is survived by her loving husband, Charles (Chuck) Hollingsworth and her three cherished boys, Carson Hollingsworth, Grant Hollingsworth and Brady Hollingsworth, her father Jerome Kessel, mother Judith Kessel, sister Sally Allen and husband Pete Allen, nephews Ryan Allen and Casey Allen, sister Kathryn Kessel, step son Matthew Hollingsworth, brother and sister in-law Rodney and Beth Hollingsworth and their three children Ryan, Katy and Claire. Cindy also leaves her loving aunts, uncles and cousins as well as an incredible network of true friends.

Cindy gave unconditional love to her husband and children. She showed this same unconditional love through her lifelong love of animals. She was an active member of Angels Among us Pet Rescue for the last 5 years. In that time, she rescued, fostered, and placed 158 puppies and dogs and impacted so many lives, both canine and human. In Lieu of flowers, donations can be made to Angels Among Us Pet Rescue. www.angelsrescue.org

“ Cindy was one of the first people Mark and I met in AAU, and helped us save the life of a little sick puppy named Piglet. She held my hand the whole time and gave me the magic puppy formula. When our foster dog Thea escaped from the temp foster when we were on vacation and mark drove all the way home to search for her, who do you think he found at midnight when he hit town driving around looking for Thea You guessed it, Cindy!! She was so worried as she was watching Thea cross busy streets. Our sincerest sympathies to Chuck, the boys who she was so proud of, and her family. We will always miss and love you, Cindy, please watch over us from heaven.

“ I am truly saddened by this news that tragedy has touched a wonderful family. Cindy was a lovely woman who gave back to this community, and she and Chuck raised 3 fine young people. I am stunned by this and my prayers go out to the Hollingsworth family.

“ To the family,
I am very sorry for your loss. May you find comfort in the promise soon to be fulfilled at Revelation 21: 4: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ i was absolutely shocked by Cindy's passing. I got to know her when we worked together forming the city of Milton. She so impressed me and we got to be such good friends that I asked her and she agreed to be my campaign manager when I ran for mayor. I did not know it at that time, but since came to know what a great favor she was doing for me - because I truly believe she hated every minute of it, but always was there with a smile!! I'm surely going to miss that smile and more especially what was behind it....a beautiful person. My prayers are with all of her family in this difficult time.

“ *I only met Cindy once when I took pictures of the puppies she was fostering. I was so taken aback at her commitment to the pups! She had completely redone her basement in order to accommodate their needs - even going so far as moving her desk down there so she could be near them! What a testament to her love for these animals! Over the years, I have watched her from the sidelines as she had her hand in so many things that made AAU successful! What an inspiration she was! I know your heart is breaking right now, but know that nothing can break the bond of love. Nothing. My thoughts and prayers are with you and your family.*

“ *Our family is so saddened by this sudden loss of an amazing mother and human being. My 17 year old was the one who told me about this loss and he was so overwhelmed with emotion and with memories of growing up hanging out with Carson and Grant and being in the Hollingsworth home or around Cindy's sunshine attitude and smile when she dropped the boys off or picked them up. Our hearts and prayers go out to those three beautiful boys, Chuck, and her entire family.*

“ I had never met Cindy personally , but talked on the phone with her all the time when I was helping the spay neuter team. I would always see her posts on FB so I knew she was a dedicated animal lover volunteer with AAU. AAU has lost a very involved and special Angel who had so much love for those animals. I know every one of them are greeting her at the rainbow bridge RIP Cindy prayers for the family

“ Cindy was such a special person who touched so many lives - both people and animals. I first met her many years ago, as volunteers at our children's school. Over the years I witnessed her kind heart and willing, giving spirit. Such a light cannot be forgotten. My prayers go out to Chuck and her boys.

“ Cindy was a truly loving & special person who touched many lives. She always had a ready smile, laugh & kind word for others. She gave of herself & was a genuine & sincere soul with no pretense about her, loving and caring for her family and all the furry friends she rescued & nurtured. So saddened by her leaving this life so soon. You will be missed, Cindy. Praying for Chuck, her boys and the rest of the family.

“ Cindy made such an impact in so many lives. I loved seeing her at adoption events sitting in the pen with puppies. She had so much light and love for animals and people. It is hard to imagine never being able to see that beautiful smile again. Chuck and sons, I can't imagine the grief you are going thru. You now have a very extra special guardian angel looking after you.

Joy Batchelor - June 18, 2014 at 09:22 PM

“ I'm so thankful to have had even a tiny part in Cindy's life. Someone said God truly took the cream of the crop when He called her home. My heart is broken for her boys who you could see were constantly showered in her love and pride, and for her husband as well as all her friends and family. No one understands when someone so beautiful is called home so soon, we just have to take comfort in knowing she is in a better place than all left behind. I'm sure with all the animal lives she touched, her homecoming was nothing short of amazing. May God look over those left behind. I love ya Cindy, thank you for everything.

“ The first foster I had to part with was a Poodle for Angels Among US and she followed me like a shadow. The day she went to her forever home I cried and Cindy was the only person in tune to me that day and walked over to hug and console me during a difficult letting go..... She was truly a remarkable woman with a heart of gold. She will be missed by so many. I can only imagine the celebration as she entered the gates..... RIP Cindy. Cher

“ *What a sad and sudden loss. We at angels are so grateful for her feiendship and all her fostering of innocent moms and puppies from high kill shelters. She was family to us. We are praying for Chuck, her boys and all whom she touched. We lost an amazing friend and foster. Though she can't be replaced, maybe someone will join us to save more in her honor.*

“ *The Kessel family was my second family growing up in Trumbull. Kathy and I are friends and it was natural for me to consider Cindy and Sally to be the little sisters I never had. Cindy and I shared a music folder in concert choir and in college I stayed at the house when Jerry was traveling to make sure the girls behaved themselves. .I have so many wonderful memories of Cindy that I could never just chose one to share. She and I were and always will be the curly haired girls. To the Hollingsworth and Kessel families, I send you all my love, hugs and kisses and may God's love and strength comfort you.
RIP Cin... you will truly be missed by all.
