“ *I only found out today about Dan's passing. I worked with him at AT&T some years ago in National Retail. He was a fine man, who loved his family above all else, as well as a great coworker. We remained in occasional touch long after we were no longer in the same department at work. My (overdue) sympathies to his family, I know you are proud of his memory.*

“ To the Sherrick family; Just want to express my condolences to the family for your lost and to share some words of comfort from Gods word. At Revelations 21:4 Gods word promises that very soon death will be no more. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”Very soon all tears and sorrow will turn into tears of joy for this is Gods Promise for us.May God give you strength now and in the future as you cope with the death of your loved one.

“ Joy...Our hearts just ache for you right now. It's so hard to believe Dan is gone. When we visited with you in August, we were so happy to reunite with you two after so many years separated as we raised our families. It was so much fun looking at the old pictures you dredged out of our younger days. Such memories! Your husband sure had a lot of ways to make us laugh. But he was also serious...serious about the great love he had for his family and his friends.

*We will always have Dan in our hearts and will cherish the memories we have of him. Our love and prayers are with you and the girls as you face the difficult coming days and weeks. May God hold you in His hands and bring you comfort.*

*Our love and sympathy,  
Karl and Teri Robison*
