“ Stacey, Rebecca and Marlyn, I am so sorry for your loss. I know it has been several years since I have been a part of your lives but your father/husband was a great man. I bumped into him several years ago at the mall as we were both shopping for xmas gifts and he and I had a short conversation about things and he was just as nice to me then as he always was. You all are in my prayers in this very hard time for you all. God bless you all.##imported-begin##Jason Wescott##imported-end##

“ *I was lucky to meet Dan and Marilyn in 2004 when they bought their cabin here in the North Georgia Mountains. I was their Realtor and we all became friends.*
We always enjoyed Dan's visits here at our marina and little general store. On the weekend I would cook breakfast for all our crew and he would sneak a piece of bacon. He'd have his cup of coffee and enjoy hearing all the local happenings. He'd get a kick out of that. He was such a kind man and had a wonderful sense of humor. He loved his family and was so proud of them. He enjoyed life and was always positive. He was a special person. He is truly missed.

“ I worked closely with Dan for several years as his Customer Service Rep. He always made it fun. We had many laughs together. I remember well his love for boating and the beach. I would call him from my place in Rehoboth and let him hear the seagulls just to get him jealous and he would recipricate by calling me from the golf course while I was stuck at work. I'll always remember his laugh. It came easy and often. I'll miss you Dan but know we'll meet again and share a beer and some crabs.

“ To Dan's family,

My heart is heavy with the news of Dan passing. I considered him to be more than just a rep to me. In fact we spent more time talking about our families than work. My wife had the opportunity to spend time with Dan when he would come in for the ACR Vendor Appreciation Banquet. DuPont won it every year and it was mostly due to Dan and the way he served. I loved talking about the girls with him, you see my wife and I have 4 girls so talking girls was a piece of cake. What an awesome man who will surely be missed.
