“ *To The Family of Dan*

I regret to hear about your loss. Dan was a good man. I had the honor to serve with him for several years while he served with the 3rd Special Forces Group and when he served with the Special Warfare Center and School. He was a good friend to anyone in need and cared about those around him. He would do anything for anyone. I was just informed of his passing and kind of in shock. I cannot express enough to his family and wish I could say something to ease the loss. What I can say is he was respected as a soldier and friend and was a cut above most folks. It is not as easy thing to accomplish what he had in the military or as a father. He was a good soul and his passing will touch many here at Ft Bragg.

To Dan: "Gods Speed Brother, may your trip be glorios, and may you be welcomed with open arms"

“ *To the Family and Friends:*

I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we all know what it feels like to lose one of our loved ones to death. Our Heavenly Father feels the pain that you are going through. He promises that the day is soon to come in which he will wipe the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3,4) He also promises that all those in the memorial tombs (graves) will hear his voice and come out. (John 5:28,29) Until his words are fulfilled may each of you continue to take comfort in him.##imported-begin##Lenette##imported-end##
