“ Pstr Dan and I first met at a luncheon for Christian professionals back nearly seventeen years ago and we decided to meet after work to talk about a few church theology questions I had and he assured me he could explain in more detail. That launched a weekly Bible study that continued until he wasn't well enough. I had the honor of Pstr Dan baptizing me a year or so after we were meeting weekly. I'm truly blessed for Dan's ministry and will miss him but know one day I'll be celebrating with the Lord and all the saints including Pastor Dan! In Jesus' name I pray. Amen and Amen
