“ *My thoughts and prayers are with all of you in David's family. I got to know David early in the 1980's when he first started to work at the terminal in Lookout Mt..I saw him progress and move up as time went by. My fondest memories are of how he kept that wonderful smile and happy attitude during the good and the not-so-good times. He will be greatly missed by all of us. May God be with all of you in this time. Greg##imported-begin##Greg Holland##imported-end##*

“ David and I go back to the UNOCAL days, and we grew up together with Louis Dreyfus and Transmontaigne. I currently work for BP, but still kept in touch with David. He will be missed by many. He never failed to have a smile on his face and a kind word for all. The world may not take note, but by the grace of God his pain has ended and he is home.##imported-begin##Keith Lewis##imported-end##
