Tribute Wall

“ After all of these years I just found out about David's passing. I had hoped he was doing well and having a good life and that we had just lost touch. He was a very good friend to me. I truly loved him. We had so many good memories. It feels like it just happened because I didn't know. May God bless the family, now and always. Thanks for always being a true friend David. Love and miss you.
