“ *I knew Dave for a brief time during the early years of my career. I remember him as the cheerful, happy man. I made me feel welcome. I first met him at a HIRE function, in fact I believe it was the very first HIRE Convention in Santa Ana. Ida and Dave sparkled together. Everytime I ran into him after that event there was always a smile and good cheer. My thoughts and prayers always to you Ida. “ *We in the Riverside Appeals Office were saddened first by the terrible news of Dave's illness and then of his passing. I first met Dave upon his selection as a fellow Appeals Team Manager in Area 9. He brought a new insight to the position. He will be missed. My thoughts and prayers are extended to you, Ida, and your family. May God bring comfort to you in your time of loss.###imported-begin##Richard L. Behm###imported-end##*

“ *I will always remember Dave as one of the only men I have met in my life who was a true cat person. In particular, I will always remember the example of caring and compassion he set by his having adopted the three-legged kitten from the Union train station. I am sure this cat misses him as much as we do.###imported-begin##Zane C. Janish###imported-end##*

“ *Ida, as I reflect on my relationship with you and Dave, my heart is filled with many good times and so many laughs. Whether a serious conversation at work, or a lighthearted evening out, life was never dull or boring with Dave around. As so many have said, his wit, intellect, and sense of humor endeared him to us all. Everyone here in Southern California is stunned by his passing, and each has been so heartfelt in expressing their sadness of his loss. However, everyone quickly reflects on the pleasure of having worked with someone like Dave who made many days more enjoyable just by being who he was. I feel so fortunate to have had both a personal and professional relationship with you both, and I will value that always. The wonderful memories we have will keep him with us. A big hug to you... We all care deeply and we want you to know that you are in our thoughts and prayers...always. Love,*

“*Dave Spandle was a terrific person. We all know what a dedicated employee he was. He loved his job and he shared his enthusiasm on a daily basis. He was the kind of person who lit up a room with his smile and his wicked sense of humor. He was brilliant, kind, hard working, respectful, well thought of, self-effacing and generous of spirit. He could talk law, history, current events, and sports without taking a breath. He treated his employees with high esteem and was always ready to help them find a solution. Sometimes he would discuss a topic at lunch which left his peers and friends speechless because he had such a way with words. He was a great writer, whether it was a legal brief or a positive EPF. He was a man who could tease with the best of them, but who always laughed at himself first.*

He loved Ida so much and they complemented each other so well. They were a great team.

He will be missed, but not forgotten. Right now I bet he is talking to St. Peter and making suggestions on how to improve the place.

May he rest in peace!

I will never forget driving out to your house in Chula Vista picking up
this
old beat up desk that Dave thought I should have. I was very

“ *Ida, and Dave's family,
Dave would "fill the room" with his big smile and hearty laugh. He
cared about others. He always asked about my son, since his was
the same age and we had fun comparing stories. He served his
country - both military and civilian and I thank him "big time" for that.
I loved the story about when you got married on Halloween in Las
Vegas. I was so happy for you both. He will be missed and
memories treasured. God Bless you and comfort you
all.##imported-begin##Judy L Hunt##imported-end##*
