“ *To the Family and Friends:*

*I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we all know what it feels like to lose one of our loved ones to death. Our Heavenly Father feels the pain that you are going through. He promises that the day is soon to come in which he will wipe the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3,4) He also promises that all those in the memorial tombs (graves) will hear his voice and come out. (John 5:28,29) Until his words are fulfilled may each of you continue to take comfort in him.##imported-begin##Lenette##imported-end##*

*Dear Grandpa,*

*I will miss you more than words can say. You were an awesome man who taught me to bear sorrows with strength, to do the best I could with what I had, and to keep the faith in God no matter what. I know you treasured each of your family members and prayed for them. I will always do the same. God took you home and I am happy for you, even through my sadness and tears. You have graduated to heaven and I know you are rejoicing to see grandma, my dad, Uncle Alan, and our other family members. I know that I shall see you again one day!*

*Thank you for the loving conversations, the cards, and support, and the great example that you and grandma set for me. I will always treasure my childhood visits with you, sharing fun antics, playing games, and having special talks together. You and grandma gave my family the love of books and reading by sending us magazines and books. My Rachel loves animals and books because you did the same thing for her.*

*May God bless each of my loving family members with peace as you go through the loss of grandpa. You'll be in my prayers.*

*Love,*

Take care and I'll see you soon ( by your standards anyway) (oh! and you'll see DeAnja then- she has some new teeth. & I am sure you will get a big hug) Love you!
