I don't know if you will see this... but I thought the world of your dad and enjoyed our time working together at US Emulsifier in Memphis....I tried calling him a few months ago and tracked his obituary down thru AI... he was a very intelligent man and I valued his friendship . As you know he loved his family very much and I'm sorry we didn't get a chance to talk before his passing...I hope you are well... he was so proud of you ...Rick Hornsby ..tssinc@cs.com
