“ *Oh, the memories we shared and the small town legacy we left. I have been reminiscing since hearing the news by sharing photos and such. I am certain you would get a kick out of the amount of people who remember MP without having to be told the name. We're talking like 20 years ago man, that's some sort of impact right there. We were rock stars in the backwoods. My brother, I will never forget you or the memories we made together. P.S. one last time . . . I told you somebody could be put in a figure 4 leg lock even if they didn't want to be. Love you Yovu*
