“ *I was shocked and very sad to hear of Dean's passing. I work for NS Railroad and I have known Dean and worked with him from his days with LaRoche, Gramercy Alumina and Dean Tran. He was a kind man who I really enjoyed knowing and spending time with over the years. And, yes, he loved talking about his family and his grandkids activities. My prayers are with all of you - God Bless You All.##imported-begin##Rick Lentz##imported-end##*

“ I am very saddened to hear of Dean's passing. I ran into him earlier this year down at the farm at Monticello when he had 2 of his grandsons with him. My late wife was Mary Tyler, daughter of Monroe Tyler, the original land owner of the property where Dean, Atlas, Ronnie and Ray have hunted for all these years. I did not see him often but it was always such an upbeat and refreshing conversation when we would be together 2 or 3 times a year. I will surely miss him also.##imported-begin##Jack Stone##imported-end##

“ I am very saddened to hear about Dean's passing. My father was Atlas Huff and some of my dad's happiest and best times was going hunting with Ronnie, Ray, and Dean. I called them the 4 Musketeers. I know that Dean and my dad are together planning their next hunting adventure. The Huff family sends our love and prayers to Dean's family.##imported-begin##Linda Huff Guldenschuh##imported-end##
