We laughed at having nickname for each other and had a good time trying to find one for me, Vennesa was Pat and Tiddyhead for Traci but could no remember yours and mine.You would lite up the room with that beautiful smile and laughter. You will certainly be missed but not forgotten. Daddy Jimmy and myself love you so much.

“ I was trying to think of something wise to say about Deana. Trying to think of one word that best describes her. But I cannot come up with one word, she was much more than one word.

Radiant: Her smile and laughter had the ability to light up a room.

Beauty: She had a rare beauty. Deana was quite a looker but it was so much deeper than that. Deana had a kind soul. One that you would fall in love with the moment you met her.

Strength: I cannot even imagine how strong she has been. I only know through the loving words of Mama Pat, Michael and Chris. I can only hope to gain an ounce of her strength.

Deana was my friend, my “tidy-head”. She was my sister, and even though life took over and we lost touch, I have never stopped loving her and I know she never stopped loving me. I am honored to have had her in my life. I am honored just to have known her.

I hope and pray that I can be half the Lady that she was. I know that she is at peace now with our lord on one side and Daddy Jerry on the other. I love you Deana Manus Crawford and you will never be forgotten.
