“ *Words seem so useless at a time like this, but we had to let you know from the bottom of our hearts how truly sorry we are. Nothing can take from us the wealth of wonderful memories, and the happiness that we shared with Debbie for so many years here in Montgomery. I will always treasure my many trips with her and the best ones were to visit in Atlanta with the family, she loved you dearly.*

Our deepest sympathy goes to all the family, which is a very weak expression of all that we are thinking. Sincerely, Betty, Bobby, Tina, Josh and Ty.

“ I will never forget the days we spent together and how wonderful you all were to me. I have been so sad since hearing this news. Debbie loved Christmas.... Thinking of you all and shedding tears for you. Elba is flooding tonight and my heart is overflowing with sadness but remembering those good times.
