“ *To Debbie's loved ones,*

Very sorry for the loss. You are in our thoughts and prayers during this very difficult time. We pray that Debbie now be in paradise with others she loved that preceded her and that her loved ones left behind to mourn find solace and some level of reassuring peace through Christ the Lord. You are all in our prayers. Our sincerest condolences to all.

“ We have many special memories of Debbie being so patient and kind, especially when our own children would add to the excitement. Our doorbell would ring, and in a second our kids would be running in and out of her house playing Nerf war, throwing the football in the front yard, or jumping and yelling in front of the tv playing video games. She would call our own kids "sweetie" and let the kids be kids, offering them snacks and occasionally reminding them to watch out for each other. We would talk with her at the pool about our daughters and how far they have come by being able to put their faces in the water, blow bubbles, or swim out into the shallow end without a swim vest. Debbie was clearly happy to be around her family.

We are honored to have been able to share in the life of such a beautiful woman!

We think of you often and offer any assistance you may need.

“ *My memory of Debra Caldwell is one of the most beautiful and loving wife and Mother I have ever known. I had the honor of teaching both Evan and Eli when they were four at Saint Thomas Aquinas Preschool. I can still see her glowing face when she was in the presence of her children and the husband she clearly adored. I will never forget her empathy and kindness when I lost my husband. I could feel the love of God in her so I know she is safe in His loving arms. I want Terry, Eli, Evan, and Ella to know how much I love your precious wife and Mother. Mrs. Williams will always be here if you need me.*
