“ *Dennis, you will always be remember by you kindness and more than anything your dedication you showed as a leader of your crew. You were a contributing factor into the operation and success of Mann's Greenhouse. You were one that we could count on to "getter done". May you now have the satisfaction to look back and say " a job well done". Thanks for all you did for me and Thanks for all you did for the ones you came in contact with. You will certainly be missed, but always be remembered by us all.*

“ *Dennis,I will always remember your kindness and your thoughtfulness. You always thought of everyone else before you thought of yourself. I remember for 30 years how you teased me, made me laugh, and helped me down your porch steps when i hurt my back,and always gave me a hug when i left your house. I am so glad that you spent Thanksgiving dinner with us this year. I will always remember you, and will miss you. You have a special place in my heart. Rest in Peace.*
