“ I just can't believe it. Diane was always a bright spot in my life when we were going through college together. We were truly the best of friends. I was her maid of honor and she was my matron of honor. I have been going through the photo album she made me of when my oldest son and I flew to Georgia for her baby shower when she was pregnant with Daniel. I can't believe we let so much time go by without seeing each other. I last spoke with her about 6 months ago. She updated me on all of you (even Rick and his daughter). Terry and Shirley please keep in touch to let me know how you are. I will deeply miss my friend and cannot imagine the grief you are all going through. I wish I could have been there today. Love,

“ Terry, I am so sorry to learn of the death of Diane! She gave me a plate one year on my birthday with a quote about Friends that I always had displayed in my home. You two helped me get acclimated to SMS in 1984 and I will always appreciate that. I am sorry I cannot be with you today to say goodbye to her. Please know you are in my thoughts and prayers.###imported-begin###Hal and Linda Sauer###imported-end##
