“ Words cannot express how much I will miss your dear mother, Patty and family. Every time an old song was played in church that reminded your mother of her mother and reminded me of my grandmother, we would look at one another and hold hands in memory of our loved ones.

Many Sundays after church, we would see your mother and dad at breakfast with their dear friends and stop to chat.

I looked so forward to seeing your mother come into church and she gave the best hugs and always had the biggest smile on her face.

She was the sweetest lady and will be greatly missed! Our thoughts and prayers are with your entire family. Much love, Marilyn and Joe
