“ *Every single memory that I have of Diane makes me smile. She was a very special part of my "growing up" years. The Mauldin family loved Diane. She was a part of us and will live on in our hearts. Blessings and peace to the family that she leaves behind, and all of those who loved her.*

“ *Tami ... so much love to you and your entire family on the passing of your beloved mama. She left me with a beautiful long time dynamic friend in you which makes her all the more irreplaceable and invaluable. I pray for a sweet strong abiding level of comfort from the Holy Spirit of God Who is near to those that are crushed in spirit especially during a time of loss like this. Heaven just got a bit brighter ...*

“ Dianne used to cut my hair and I was at her house getting a haircut and the twins so cute they were running around us and jumping and playing and she had the most patience. She just ignored them completely and I got a great cut! Will miss your smiling face 🥰
