“ As a child I'll always remember when I was moved to walk down to the alter and Pastor Hester took me in his loving arms and prayed that prayer with me to be saved. I can't say I have had an easy life,,but the everlasting memories of him and Carroll will always remain in my life as I grew up in Lebanon. God has done SO much in my life,,rescued me from drug addiction, He has saved me from a near death experience,, answered SO many prayers. And it's all been possible by the pastor that has influenced my life. Thank you God for Pastor Hester. I will forever remember him. Justin Cole.

“ Dear Carol, and family, Our family was so blessed in so many ways by our pastor and friend. He was always there when we needed him. I'll never forget the words he spoke to Ray the last minutes of his life. He said I'll see you in glory my friend. within 15 minutes Ray went to be with the Lord. What a blessing to have him share in Reys last minutes here on earth. He will forever be our pastor. We love you, Carol and family. Ruth Vaughan

“ *In 1983, Brad and I attended our first service at Lebanon Baptist Church and after church we went to lunch at Po' Boys and there was Pastor Dick with his French Beret fellowshipping with everyone. He came to our table and made us feel so welcomed to the church and we knew he meant what he was saying! We joined soon after that and were a part of the ministry for 17 years. We loved every minute and felt God's presence throughout these years. We grew in our faith and will always remember how he loved us—wrote us many letters in his own hand, called many times to pray with and for us, went to Bradley's mother's home going, spent many hours in the hospital with my dad, Jim Weaver, after his heart issues. We told him several years ago after we had moved away from Georgia that he would always be our Pastor- and that statement is still true today. We are better for knowing Pastor Hester. He was truly a man after God's heart.*
