“ My dear friend Dina, words cannot express what a great friend and Boss Dina was to me and to so many others. She and I had a special bond that is hard to explain. She was so positive and uplifting to be around. She never gave up and so believed with God all things are possible. It is sad to know she is no longer here with us on this earth but awesome to know she is now with our Dear Loving Heavenly Father where she has no pain or suffering. She is and will be truly missed. She will always have a place in my heart!

“ Dina was a spunky little Italian girl with a huge grin and an even bigger heart! She genuinely loved her husband, her family, and her friends....and of course, FSU football!
She was never one to retreat from a battle without a courageous fight, and ALS was no exception. Sadly, we have lost her at too young an age. I feel so blessed to have known her for the past 15 years, and all those years of memories will help to fill the hollowness in my heart.
God bless you and rest in peace, my love. Without a doubt, you deserve it.

“ *Dina was my buddy. She was always there when I needed or wanted to talk. She was a beautiful, vibrant, person and sharp as a tack. Always eager to discuss economics, politics and of course the current administration. I will remember her fondly and in the words of Laura Ingalls Wilder "Remember me with smiles and laughter, for that is how I will remember you all. If you can only remember me with tears, then don't remember me at all ". She is at peace and not suffering. I thank God for our visit 10 days ago and remember Dina with smiles and laughter. God bless you.*

“ *Dina was an awesome person and always had a smile on her face. We worked together and I can never remember a day when she did not put a smile on someone face. She was an inspiration to all and a true pleasure to work with. She is now an angel in heaven doing Gods work.*

“ *I will miss Dina very much. She was such a joy to be around. It was so hard to watch her every day suffering from ALS. She was so brave and I know that she is now whole again and with her Father. She was a wonderful friend and I will cherish every moment that we spent together.
Good night sweet Dina. Hopefully we will meet up again one day.*

Dina was a very dear friend to me. She was one of the first people I met when I moved to Pensacola many years ago and I knew right away, she would be a lifelong friend. She helped me through heartache, shared in my happiness, and gave me a lifetime of memories I will forever cherish. I can't express in words how much I will miss her and how deeply saddened and empty I feel. Yet I know she is finally free of this horrible disease and for that I am so grateful to God. I love you sweet Dina and I take comfort in knowing you are in heaven watching over us all. Until we meet again.....Marty Minton

We have fond memories of seeing Dina out doing yardwork with Terry often at the time we were doing the same. She always had a friendly smile and a wave. It was clear to see that Dina was the one in charge of what was being done. We are sure she will still be directing Terry from a higher and better place. We will miss you Dina.

Dina I always called you "my Dina " whenever I talked about you. You know I loved you very much and always will. You were the kind of person who thought of others first. I was only 17 when Mom asked me to be your godmother. That is why I will always think of you as if you were my daughter. I saw the red cardinal on Sunday. Today I was told that represented you coming to see me. I will keep you in my prayers every day and hope God will keep you by his side.
