“ *Dear Pedante family,
I feel like I just lost another brother. I feel your loss and wish I could have been there with all of you. Dom is at peace now, hopefully wrapped in your mother's arms. Keep his children close, they are Dom's legacy. God bless you all. Love, Laura*##imported-begin##*Laura Walker*##imported-end##

“ *It was with great sadness and disbelief that I learned of Dominic passing. I spent many years working on the line in front of Dominic, first on the Raiders and then at Glasgow H.S.*

Even as a child Dominic was a born leader on the field, and I'm sure this continued into adulthood.

My condolences to the family. I can assure you that he will not be forgotten by myself or anyone who knew him so many years ago.

“ *Although I hadn't seen Dom in many years, the news hit me with a
sickening jolt. All the time we spent picking football games and
Kentucky Derby winners was remembered and I will miss him
greatly. He was truly one of the kindest men I have ever met. One of
the last things I ever said to him was that I would name my
youngest son after him and today Dominick Mele is 14 yrs. old. My
warmest condolences go to his family and may Dom rest in
peace.##imported-begin##Dan Mele##imported-end##*
