“ *I am so very sad to hear of my friend Don's passing and send my deepest condolences to his family.
One special time I recall was some years ago when Don and I were visiting the French Quarter was when Don picked us up at our hotel and we all went out to dinner at a wonderful place that he guaranteed would not be on the typical tourist route. It was a wonderful evening of sharing stories and many laughs.
Don was an exceptional man and a friend since high school. He truly WILL be missed.*
