“ Once upon a time I met a man who helped out a single mother and her 7 year old daughter. He found them a home, gave her a job, was a good trusted friend. There wasn't a time that he would have done nothing. He was kind, well spoken, funny and generous. That man was Donny. I will never forget his kindness. Rest in peace and Godspeed my friend. “ when uncle don was around, he was full of smiles. joking around everything he sees here in the Philippines when he visited our auntie lou. he was so joyful and healthy that time that you couldn't see the illness he's been carrying for many years. i remember when he told me that he saw a butt fish here at home and still continues to make a joke out of it when he went back to atlanta. every time we talk on the phone he always asks if how's the butt fish doing and if i already caught one. one thing about uncle don is that he is always happy whenever i talk to him. now that he is departed from this life, he will be watching us from up above and make us strong for the memories that he left us. God Bless Aunt lou and the family of uncle don. you will be remembered uncle. :)###imported-begin###Ace Jay-arr Galanto and Family###imported-end###

“ The whole family would like to express our whole-hearted thanks to Uncle Don for all the good things he showed to us when he was still physically around.

We will always remember his smiles and the way he cares and love our Tita Marilou. Through this, we are all assured that our Tita Lou will always be safe for Uncle Don is always with her.

Uncle Don, we believe that you will always be on our side watching and keeping us away from harm.

We love you and will always include you in our prayer...##imported-begin##sandra mabuyog bejemino ##imported-end##

“ Dear Donny.

*I love you so much and will deeply miss you.. I was honored to be your "Canadian daughter". You endeared yourself to me from the first day I met you. In fact, it was exactly nine years ago this weekend. You kept on encouraging me, since I came all the way from Canada for Donna and Billy's wedding, to do something special at the wedding. When you found out that I sang in a choir, you kept on asking me to sing the nation anthem of Canada. You then, went one step further and asked her nephew Alan, who was singing at the wedding, to ask me to sing with him. I was so shocked he came up and asked me. That small little faith in me, meant so much to me. I remember our visit to the World of Coca Cola and you making jokes, especially at that one machine, that made a particular noise.*

*I also remember seeing how deeply you loved Marie, your kids and your grandchildren. Even though in the last few years, you were not that well, you still were able to crack jokes and beam your big smile whenever I would see you.*

*You will remain one of the great people I have ever met and gotten to know. I will deeply miss you.*

*Donna, Billy, Ava, Marie, Ben and family, revel everyday in how much your husband, dad and grandfather loved you all... You were his first love and I know he is smiling down on you all with such pride... My love to you all...##imported-begin##Kerry Olthof##imported-end##*

“ *My condolences to the family. My family has known Donny for as long as I can remember. My best memories was always going to his store when we would come down from Maryland during the summer. I miss the days of good ole Coke Cola in the bottles, and even one summer he let me work a day with him at the store. God Bless you Donny and to your family. You will be truly missed.##imported-begin##Paul Reynolds##imported-end##*
