“ Don was and still is an inspiration to all that knew him. I've never seen a man with more passion to stay “alive”. I hope to have half the dedication to life and family that he had. However I will not express my words in sorrow, for i am grateful to have known Don and am glad that he will suffer no longer. I hope to see Donna and Barry very soon. He will sorely be missed!##imported-begin##Sean Crowe##imported-end##
