“ We are so sad to not have Our Deacon, friend and Fellow member at Oak Grove around.

Brother Don would always try to encourage me and the church every time we tried to do something even when he couldn't he was there for years trying to be a encouragement and would try to encourage me for years each Sunday sitting in his place and words of encouragement and a hug. I will miss hearing him call for Take my hand precious Lord and A Light at the River to be sang.

We Loved Him and His Wonderful sweet Wife Sister Carolyn and their wonderful family who all did all they could to Love him and care for him.

Sister Carolyn has been a Model Wife standing by his side and Faithful Member to Her Church a True Proverbs 31Woman. Brother Don Loved his Family and had a Good Name reminds me of Proverbs 22:1 and he was a Faithful Member to His church even he asked about his church when he wasn't able to be there praying for his fellow members.

May God Bless this Family
