“ There are women – although; unfortunately, sometimes far and few between that we can be proud of and honored to know and love. A woman we can call a friend and the lucky ones got to call her mom, wife, sister and grammie. Donna was; no, is special and will always be in our hearts. Donna told it like it was, whether you wanted to hear it or not – she knew best, because she knew your heart and what was right for it. Her life lessons, her recipes, and her advice will live on in our memory and our hearts forever. Thank you, Donna, for all you did, taught, preached and loved in all of us. Your life lessons we will treasure forever. Until we meet again...
