“ *I worked with Donna at Roswell North Elementary for several years and have sweet memories of her. She was, also, my daughter, Ryan's first grade teacher years before that. We are so sorry to hear of her passing. She gave many students their start in learning and life. Our prayers are with her family. She was loved.*

“ *I worked with Donna at North Roswell/Roswell North Elementary for many years. She was such a loving teacher! She taught many a first grader to love reading and books!!! She was missed by many from our school when she retired. She will be missed by many more now. My prayers go up for all her family, but I am very happy to know she is with her husband and son once again.*
