“ Donna, I am so pleased I got to see you last August 06. I feel deeply sadden that you are no longer with us, but I feel you are finally at rest with yourself, I believe you are happier now your with Auntie Hilda (your Mum). You will always be in my thoughts, your cousin Natalie xxxxx###imported-begin##Natalie Fisher (Perkins)###imported-end##

“ Donna, I am sadden at your loss for two reasons firstly a selfish reason that you didn't get to meet my kids, and they didn't have a chance to get to know your soft and very affectionate ways. Secondly I feel sad that you did not have a chance to get married and experience giving birth. Although the times that we shared were always too short and never enough was said, I would like to think that we had a lifetime of fun and good times, and lastly I will miss you very much even though we have not seen each for a while you are and always will be in my heart, your cousin Lisa xxxxxxxx###imported-begin##Lisa James (Perkins)###imported-end##
