

Ms. Donna Marie Williams

June 4, 1952 - September 15, 2022

Donna Marie Williams, age 70, of Alpharetta, Georgia passed away Thursday, September 15, 2022. Donna was born on June 4, 1952 in Atlanta, Georgia, the daughter to the late Cecil and Maple Williams.

Donna always had a big heart and channeled that by studying medicine. Her specialty was Pulmonary education and she worked as a professor at Chattanooga Tech and later as a Registered Respiratory Therapist at Children's Healthcare of Atlanta. Despite some tragic stories, she always loved her job helping children and families.

Her dedication to her work made it difficult sometimes for her to take time for herself. Luckily, she was required to visit St. Simons Island yearly for a medical conference where she would regularly speak. She loved trying new restaurants and walking on the docks. One of her best friends, Beth, was also able to persuade her to visit Italy, which she absolutely loved.

While Donna was very soft spoken at times, she always expressed her love and admiration for those she knew and her influence will always be felt by those that knew her.

Donna is survived by her son, Travis Williams; brother, Robert Williams and many friends and family.

There will be an informal memorial gathering that will take place between 3 and 5 o' clock in the afternoon on Sunday, October 2, 2022 at the 1870 Branch Valley Drive, Roswell, GA 30076. Friends and family are welcome to come by to share their memories and stories of Donna.

Please visit www.northsidechapel.com to share memories and leave condolences to the family.

“ *Donna was a wonderful sister and person that improved the lives of many people with her medical service.*

Robert Williams

Robert Williams - September 26, 2022 at 05:12 PM

Donna was my co-worker at Children's Healthcare of Atlanta. She was always very gracious and friendly to me. She will always be remembered for how much she helped families and patients by educating them on how to take care of their health outside of the hospital environment. Her knowledge and kindness was unmatched. She will be truly missed.

CB

Donna was a great educator and Respiratory therapist. She will be remembered for her quick wit and her smile. Donna cared for many of our most fragile patients and they loved her as much as she loved them. Her dedication to families and coworkers will not soon be forgotten. Rest in peace Donna. We will miss you.

NG

I met her 3 times total at work, but she was the sweetest person that I've ever met. She was so friendly and nice to me that made me feel like she's a family. I'm very grateful to know her. I'm very sad to hear about her passing. RIP. Thank you for being so nice and friendly to everyone. Rest easy Donna.
