

Mr. Donovan N. Harrell

August 30, 1982 - March 1, 2018

Donovan Nathaniel Harrell of Johns Creek, GA passed away March 1, 2018. He was 35, born August 30, 1982, to Juan Timothy Harrell and Marusha Drace Carpenter. Donovan lived his entire life in the Atlanta area. Donovan had a bachelor's degree in marketing from UGA. He was gifted in electronic marketing and had an entrepreneur's heart even from childhood. He loved the Lord and had a passion for missions – with many trips to Costa Rica where he helped with church construction and children's programs.

Donovan was loved by so many – as a son, as a brother, a nephew, cousin, uncle, friend, fiancé and as a father. He loved deeply and selflessly. His sense of humor was uniquely Donovan's and brought smiles to those around him. A funeral service is being held on Monday, March 5th with visitation at 1:00 PM and service at 2:00 PM at Northside Chapel in Roswell, GA.

In lieu of flowers, the family asks for donations be made to Mt. Pisgah Mission Ministries at www.mountpisgah.org under giving.

Donovan will be remembered for his generous spirit, his loyalty, and his infectious zeal for the things he was passionate about.

Always Lifted Up. Always Loved. Never Forgotten.

“ *I wish to share a thought .I'm one of Donovan's former bosses. he worked as a marketer for my company for a few months. I got to know him very well. I often commented that he was a genius but he did a great job of hiding it. His personality was unique. I spent many hours teaching him about responsibility and growing up to meet the challenge of fatherhood. My greatest effort was , teaching him that he could help no one until he learned to help himself. I cant really say anything more than others haven't already said or that you knew. except he made a mark while here with us .though he had to move on , he was cared for. I send my love and hopes to the light of his life , Maverick .my prayer for you son is that you grow up having his heart.*
