“ *Ginny and Rick(y), the names we remember you by, My dad passed away in January of this year, and in remembering conversations with him he always mentioned the times our families spent together in both Germantown, TN and also in Roswell on Riviera Dr., so we pulled your family information last night on the internet. We are sorry for the loss of both your parents. We remember Germantown Presbyterian Church outings, and most importantly, both of your parents. They were wonderful people and made indelible impressions on so many which have remained to this day, even those that were so young at the time. We, again, are sorry to hear of their passing. Please take care and know that you are in prayers and thoughts of many people that your parents touched, even years ago.
