“ *"We, of Doris's extended family the Armbrusters, wish to extend our condolences to Doris's family and are very sad at her passing. Doris became a loving member of our family after her husband , Herman, passed away when she married our brother Robert, now deceased. We had many pleasant times with her and her Mother , Ruby, here in Florida. We trust both Doris and Ruby are now with their family in a more peaceful place than this world. May we all renew our friendship when meeting at some future date. "*

*Doris' Gentle Joints family will miss her tremendously. She is such an integral part of our "family" and it won't be the same without her. I met her 10 years ago at Golden Age Fitness, and feel honored to have called her friend. My heart and prayers are with her family and friends in this deeply sad time of loss.*

*I am very happy to have had the pleasure of having Doris as a seat partner on several Silver Roamer trips. We had some interesting chats, as we shared stories of our younger lives, when we both lived on farms, and our work experiences. Even though she was hesitant to move in with her family, she really did enjoy living there in her own special space! I especially loved her sense of humor, and to see her smile. I am truly sorry for your loss, and want you to know that she was a very special woman.*

“ *Doris was such a delightful and sweet person. We loved her so much and she traveled with the Silver Roamers on day and overnight trips for 10 years. She touched my heart from the first day I met her in 2012 on our overnight trip to Charleston, SC and she will always hold a special place in ALL of our hearts here at Cherokee Recreation and Parks Agency. Thank you for the wonderful memories Doris and we will see you again one day. Love you! Frankie Sanders, Sillver Roamers, Cherokee Recreation and Parks*

“ *Dear Sydney, Robert and Chloe,*

*We are so sorry to see this. Your mom and grandmother was such a big part of our family for many, many years and "Grandma Armbruster " to our 4 children( Heidi, Marcus, Ryan and Nick ) during their growing up years! We missed her after she moved to Georgia. I know you will miss her dearly. We will miss her too!! I'm so happy she was able to spend her last years with you and Chloe and watching her grow! She loved her dearly.*

*We are thinking of you, keeping you in our prayers!
