“ *Doris was a very special lady to my mom and to our family. Since we lived across the street from her when my sister and I were growing up in the 50's and 60's we saw her almost every day. Our mothers would have coffee in the evenings and they did many fun things together. Doris was one of my mom's dearest friends. They shared many interests and even moved to the Poconos about the same time. I'll always remember her as a loving, compassionate, fun loving person who we loved to see whether in Iselin or in the mountains. We had many wonderful moments on my mom's deck in the Poconos just chatting, enjoying holidays together in Iselin and laughing with Kurt and my dad. They were such fun to be with and we saw them every chance we had. When my grandmother needed additional care in her later years in life Doris would go over to get her things or keep her company. Doris was loved by many who found her to be the true definition of a friend -- loving, caring, loyal and fun. Thank you, Doris, for all those wonderful years!*

“ *We will always remember the great time we had in 1986 when we went to Germany with Doris and Kurt. Doris was also a great hostess at the many family gatherings at her home in NJ and the Poconos. She was a lot of fun to be with and we will sorely miss her.
Rest in peace Doris.*

“Doris knew me before I was born - she was close friends with my mother when they were young women having children and raising families. Growing up, Doris was always there for me, like a second mother, as I was good friends with Karen and for years the two of us were inseparable. Through the years, I felt very blessed to have Doris in my life and will treasure the many wonderful memories that I have of times spent with her. Whether sharing a meal, hiking in the Poconos, or sitting by the lake, Doris was such good company and frequently a source of comfort to me with her kind words and unending support. She was fun to be with, having a wry way of looking at life and the ability to find the humor in everyday things. Doris was also a loyal and loving friend to my mother for almost 50 years, and they shared a bond that my mother treasured. Doris will certainly be missed, but remembered as the wonderful woman that she was.

“ Almost 30 years ago at Christmas time, Karen introduced me to her Mother, Doris. Karen's parents were visiting Roswell for the holidays. Doris invited me to sit at Karen's kitchen table to share some pretzels and liverwurst. In a few minutes, it felt like I was one of the family. Over the years, when she visited Atlanta, she always made everyone who arrived at the house feel welcomed. "What can I get you??", she would always inquire.

She possessed a wry sense of humor and liked to laugh. Talents galore in crafts, ceramics, art and sewing to mention just a few. Mostly, I will remember her for being a Mother. The kind of Mother that all would be proud to have. Kind, fiercely protective, loyal, steadfast, but most of all, a loving Mother without fail.

She is in my prayers,

Diane

“ I met Doris April 12, 1952. We immediately became friends. We realized we were 2nd cousins and our lives became forever entwined. She was the Godmother of my 2 sons Ronnie and Dennis and I was thrilled to be Godmother to her daughter Karen. We enjoyed many holidays and numerous vacations together especially in Florida and the Poconos. Doris always referred to me as the sister she never had. I'm going to miss her for the rest of my life.
