“ I am so glad that I got to be one of Aunt Dot's "nephews". As long as I live, I will never forget the night she told me about her implants. It was over that same subject that we shared our last laugh together. Aunt Dot, I miss you and I love you.##imported-begin##Chris Bennett##imported-end##

“ I wanted to extend my sympathy to Mary Ann and her family. I was a friend of Dot and her husband Porky for many years. I worked with Porky and rode to work with him at Sears. Our family lived in Alpharetta, Haynes Br Rd and were always friends. My son Kenneth Jones went to Milton with Mary Ann. My phone number is below if you get a chance to call.
Sincerely,
Geraldine Jones

“ Joe and I would like to convey our condolences to all the family. We loved Aunt Dot and are deeply saddened by her passing. She made me very welcome on my first visit to Georgia. I will never forget the time I spent with her and Nancy on a trip to Canton when I was by myself. She was one of the kindest, sweetest persons I have ever met. She will be greatly missed. “ *Sallie and family*

I am sorry to hear that Aunt Dot has passed away. My heartfelt condolences to you and your family at this sad time.

I know how much you will all miss Aunt Dot.

I remember fondly the times that I met her and going for rides in her car.

My thoughts are with you.

“ *We will miss our dear Dot-Dot. She helped us both learn dominoes, checkers and tic-tac-toe. She rocked both of us to sleep hundreds of times. We both loved working thru puzzles with her, and learning new words with flashcards.*

We both still ask about Dot-Dot daily.

We both adored you, and will not know what to do when we leave Mimmi's house, and can't give you "sugar". We both loved you dearly.

“ How I loved "Aint" Dot! She was one of the sweetest, most loving people I have ever known. She always made me laugh (whether she meant to or not!), and she made me feel a part of the family the first time I met her. I also loved how "what you saw is what you got" with her. There was not a pretentious bone in her body. She was genuine and loving, generous and open. I know she will be missed by all who knew and loved her.##imported-begin##Liz Bouis##imported-end##
