“ Dorothy shared her life with me as i cleaned her teeth every 4 months for 15 years. She brought light to my day at the office with her kick boxing and weight lifting experiences. She was a force of life.. I'm so sorry for your loss and mine.

Sincerely

“ My sincere condolences to Dorothy's family. I was a close friend of Dorothy's since 1971 when we met at 21 yrs. old at the Rohm and Haas Company in Elmwood Park, NJ. I didn't see or correspond with Dorothy for about 10 years mostly due to distance and life distractions but I always loved Dorothy and our times together. She was a remarkable woman in too many ways for me to even mention but I felt her loss greatly. I am glad she had all of you for so many decades. Your father was a wonderful husband to her and she likewise was a wonderful wife. George was always so supportive of Dorothy keeping up her NJ friendships. Dorothy, Heli and I had wonderful long weekends up here in NJ around 2008-2010 or so. I made a trip to visit Dorothy around 2013 and I met you all, maybe you remember me. I hope Dorothy's end of life was peaceful, I know she fought her cancers so hard for so many years. Barbara Lembo-Connolly. 2 Courter Road, Franklin Lakes, NJ; barbaralembo@yahoo.com
