“ *Dear Bruce, Kim, Lisa and family,*

*I was truly shocked and saddened to read today of Ms. Dot's passing. I fondly remember meeting her on several occasions over the years. I always found her a strong and compassionate woman who loved her husband, her kids and their spouses, and adored her grandchildren! I am sorry for the pain and loss that you must surely feel now. I pray that God will bless you with the comfort of memories in all the days ahead.*

*With love and best wishes ,*
