“ Grandma, what I would give to have one more morning chat with you on the deck, eating our toast and drinking our DECAF coffee while listening to the morning birds chirp. You always gave the best ‘mom’, ‘wife’, and ‘female’ advice growing up. I will continue to cherish every moment I had with you. I love you so much and will miss you forever!! PS: I love hearing your clock sing (it’s 1pm right now so it’s singing to me) I love you Grandma always and forever!!!

“ Dottie and I knew each other through the Builders Sunday School Class at Alpharetta Methodist Church. We did many things together through those years and I found her to be a sweet, caring person and truly enjoyed knowing her. We had such fun together and I will always remember those times. I feel blessed that our paths crossed in life. May the family find peace in the days ahead and comfort in the knowledge that she loved her Lord. Anita Mathews

“ Dotty came into my life 50 years ago and little did I know that she was an angel. We shared good times and bad ones. She was always there for me and hopefully I was there for her. Dotty will always be with me until my end and I loved her.
