“ *Miss Dorothy will hold a special place in my heart always. She gave me many fond memories and smiles as one of her caregivers over the years. I will never forget her jewelry and lipstick, no matter what we were doing or where we were going. There will always be a song in my heart, played on piano of course. To her family, take comfort. Miss Dorothy is not gone forever, but gone home. You are in our prayers.##imported-begin##Melanie Finley & Family##imported-end##*
