“ *Mr. Dorris Wesley Goswick*

“ *Dorris Goswick was a very special person. A christian gentleman if there ever was one. Dorris was kind to everyone he met. If a man could not get along with Dorris, he literally could not get along with anyone.*

“ *Dorris delivered our mail for many years at our dental office in Alpharetta. All of us admired and respected this very kind gentleman. Once when I had to go to a party where the theme was "to come dressed as what you always wanted to be," he loaned me one of his uniforms and I went as a mail carrier. We so missed him when he retired but have very fond memories of his daily visits.*

“ My dearest Hilda,

*The only solace I've have since hearing the dreadful news of your precious Dorris has been knowing that he and David... and JW, are together again ... and are just beginning to swap stories about growing up together, and loving each other as the brothers they truly were/are. There'll be stories enough to last them for another lifetime or two or three .. They were all blessed having the parents they did, and are with them again, too ; lots of long, long, hugs. going on up there
right now ! I'm sure Dorris misses you terribly ... along with Sandra, Welsey, and his beloved Jennifer, too , but he now knows, for sure, that
you'll all be together again when the time's right, and until that ...you can
talk to him ... any time you'd like, and for as long as you want.. He'll hear
you, and you'll know that he does.*

*I love you very much, and pray that you find comfort in knowing that all is well with Dorris now, and that you, Jennifer, Sandra and Wesley
will always cherish your own special memories of a loving and very special
husband, father and friend .*

“ Sorry to hear of the passing of Mr. Goswick. He was such a great joy and I loved hearing him tell of stories of his days at Milton High School and growing up in Alpharetta. I will keep the family in my prayers.
