“ Dr. Myers was truly a caring and kind man. He always made you feel that no matter what was wrong with you he was going to do all he could to help you as your doctor. He went the "extra mile" for his patients to find out what was wrong with them and help them get well. God bless his family always and especailly during their time of mourning. He will be missed. “ It's not about Allen's death, it's about how he truly enjoyed living. He lived life every moment with great passion and appreciation, and with love for those of us fortunate to be around him. I'll never forget my travels with him, our hunting and fishing trips, our flying over the prairies and rocky mountains, his jokes and his laughter. He was more than a close friend and comrade. He was the brother I never had. He lived a big life and left a big emptiness. Our hearts goes out to Beth and his children. All of us will miss him dearly.##imported-begin##Lorraine and Clifford Hoyle##imported-end##
