“ A day did not go by that I don't think about you. You were, are and always will be my heart. When you left a piece of me went with you. I know you are here with me in spirit but it's not the same. I miss our visits and conversations. You are constantly in my mind I look to heaven every single day with tears in my eyes just to tell you how much I love and miss you. No one will ever understand our relationship. You are the best brother a sister can ask for. You will always be The Legend in my book. Love you forever and for eternity. I'll see you again! Love you Bro!

Your baby Sister,
Barbara AKA Nikki!

“ This will be a time when you are hurting, you'll miss him, and we all need to be proud of this fine man, his spirit and his soul. Mrs. Miles, you may remember me from the 60s and early 70s, I worked with Earnie in the KNOE newsroom a number of years when he first joined the station. Yes, many days, many nights and weekends. A day off didn't come around often. The lot of us learned a great deal from Earnie, sometimes it was about what he'd covered, sometimes it was just simply about living right and being honest. Earnie changed a lot of hearts.

“ My neighbor of 19 years, Earnest sometimes playfully told me to stop working in my yard -- that I'd done enough and should go inside. I appreciated his bright outlook and what he added to the neighborhood. (Les Thomassen)

“ Sorry to hear of the loss of Ernie. He was always so happy and full of life. I particularly remember his special gifts to the firefighters at the old Fireman's Ball at the Holiday Inn. I still have one of his Dalmatian pins!! He would brighten your day with his big grin. Thanks for sharing Ernie with us!! Praying for you all during this difficult time.

Earnie Rogers , one of the unforgettable characters from my many years at old Roswell High School. I will always remember your positive attitude and willingness to help around the school ,for example, in setting up the Concession Stand for ball games. I always believed you to be completely trustworthy . You will be missed, my friend. Larry Garmon
