“ 27 years we had you and in an instant you where gone.
So many plans and wishes lost, so many "should haves" remain. The only thing that is certain is that you where loved more than you could have ever comprehended.

Your love and smile wasn't reserved for just those at home, you shared it freely and hear about the impact it had on others has been beautiful.

We laid you to rest among beauty and peacefulness and when we left our broken hearts remained.

We will love you forever and be thankful to you for eternity.
I love you Dad

“ *Officer Royal will always be a precious memory, sustained by every entrance into Northshore. We truly don't know of any other individual who so consistently greeted all in his path with an unconditional smile and warmth. We shared his family, our family, his Air Force experience and ours in many conversations as we passed through the gate. Our world has suffered a great loss but God's heaven has a new star ... and thankfully one day we will all share his smile again. Love, Cindi and Charlie Campbell and our entire Family.*

“ Dear Royal, my dear Son-in-Law. How very saddened I was to hear the news last Sunday of your sudden and tragic passing. We didn't see each other often due to the distance between countries, but I enjoyed speaking with you on the 'phone and your laugh was always a joy to hear. I know I have you to thank for posting the numerous parcels Kathy always managed to prepare, never complaining about the time spent standing in line in the Post Office!!! A reflection of your patience and good nature.

You will be sadly missed but we have cherished memories of a very special man.

Rest in peace Royal.

Thinking of my Daughter Kathy, Grandson Jerome and Granddaughter Danielle at this very sad time.

“ *Dearest Royal, Brother in law to Susan and Robert, Uncle to Dominique, Alexander and Kristofer, Great Uncle to Izabella, Oliver and Jude.*

Who would have thought that we would be writing a tribute to one so young, taken so suddenly from this world. We are both shocked and saddened at the news.

"Sweet is your memory, precious is your name, deep in our hearts you will always remain. There comes a time for all of us when we must say goodbye, but memories of those we love live on and never die".

Taken from his family much too soon.

Our deepest sympathy and love are sent to our Sister Kathy, Danielle and Jerome.

“ *It is with great sadness and a heavy heart that we write this tribute to our Brother in Law, Royal. Words cannot describe the shock and disbelief we are feeling since hearing the news of his passing. A kind natured, gentle, happy soul, with an infectious laugh that we will always remember.*

*Speaking to Royal now It's been a long time since we saw you, us in England and you in the USA, but you were always part of the telephone conversations between Kathy and us, and the sharing of humorous stories always brought laughter to us all. We could never explain our gratitude for the love and devotion you gave to our Sister and our Nephew, Jerome. 'Team Royal'. I don't know any Father that cared for a Son the way you did, nor do we know anyone that applied so much lotion to his son to make sure his skin was so soft that he was as slippery as an eel - that always made us laugh too! We apologise for our failed attempts at mimicking your American accent, but your Liverpudlian accent wasn't too brilliant either you know! We looked forward to seeing you all again in the future but, sadly, it won't be so. You were thought of with fondness and we hope you knew that - you always will be. Thank you for being part of our lives and for all you were and will always be to Kathy, Danielle and Jerome. Rest in peace big fella and take all our love with you.

“ My heart was heavy with sadness when I learned of Earnest's passing! Our family loved him. He seemed to remember everyone and was warm and welcoming to our family and our visitors. I loved speaking with Earnest, as he was such a lovely soul, so kind, humble and personable. His smile was infectious and he always had one on his face no matter what he was going through. I know he loved his family because he spoke fondly of them. He will be greatly missed by all that he encountered. I wish for the Royal family much peace, comfort and strength from the Heavenly Father. You are in my continued prayers. – Nancy Glass

“ Our prayers to the family of Officer Royal--a man of commitment, kindness and caring. Officer Royal was a part of our family too, as guard for our neighborhood for over 10 years, and he made each of us feel happy and safe. He extended his warmth and loving nature to all our children and represented our neighborhood with class and professionalism to all our guests. I know he is smiling in heaven and we offer our sincere condolences to his family. We are so sorry for your loss. We miss him too, greatly.

“ Officer Royal was a gentleman, a true friend, and a loving family man. Even though I knew him for a short time while my wife underwent treatment for cancer in Atlanta, our conversations at the entrance gate where my daughter lives were so meaningful. His smile and gentle demeanor to all the people he met were tokens of friendship and kindness for everyone. May the gate keeper of our heavenly Father open the gates to heaven for a kindred soul who deserves to sit at his right hand side. I pray for his wife and son whom he always spoke so kindly of and hope that they will be comforted during their hour of need. My heart was broken today as I learned of his passing. I will miss a true friend. May he rest in peace with our Lord and Savior. *Bill Kissam*

Officer Royal – Called to Arms!

Officer Royal is a modern-day inspiration and an example of a man of his word. That is rare.

-- First, 28 years ago he told his wife, Kathy, for better or for worse, in sickness and in health, till death do us part. He kept that word.

-- Second, Jerome, his 27-year old “special” son, requires full-time care which he & Kathy joyfully delighted in together!!! Upon meeting Jerome, his childlike dependence and happy confidence in knowing all his needs will be met made me want to stay there and just relax in that space. For Earnest it was a high honor to care for such a wonderful person!!!

-- Third, as a military man, he gave his word years ago to care for our families and country. This was not about “duty.” It was truly motivated by “love.”

We are heartbroken because he meant a lot to us all.

He was extended family, and we knew if we needed him, All we had to do was call.

He was a leader to more kids than you’d ever know. From the time, the triplets were three,

He was already helping them to be the best they could be.

They were impressed how he was reading all the time. Taking classes, at a campus and on-line.

They trusted him as a true friend.

He knew secrets, but kept privacy, throughout the end.

In Closing,

Officer Royal has been “Called to Arms”.

Our hope is he is in our Heavenly Father’s arms.

In the name of Jesus, we celebrate his 53 years of life.

And our prayer is for this world’s support for his son and loving wife!
