“ It just won't be the same without you. I love you so much and I know how much you love me. You are such a special person and have touched so many lives. I would give anything in this world to have you back. You meant the world to me and will be greatly missed. I will see you again one day, but until then you will be in my heart with me always. I love you Dad.##imported-begin##Amanda Chambers-Woodruff##imported-end##
