“ I have so many wonderful memories of my father-in-law, Paul. He welcomed me to the Capon family well over 30 years ago and always treated me with love and respect. We spent many days on the golf course, my goal to beat him (as my son-in-law tries to do with me) and he, always trying to improve his game. Family trips to Hilton Head Island each May, 2 trips to Augusta GA for the Masters Golf tournament, a few fishing and hunting trips along the way have formed lasting memories. He was a great husband, father and friend.

I will miss him and will always treasure his best gift to me, his daughter Carolyn.
