“ *Danny and family, Kelley and family and little Kelley and family; my heart goes out to all of you. The pain of losing your Mom is like no other, I know to that God will see you through and give His sweet peace.*

I will miss Aunt Edith so much. We were not able to communicate much this last year, but we sure spent a lot of hours of the phone before that talking about the past, present and future. We talked a lot about when the four of us kids were little and the time we spent together. Fun memories that will be there forever. I loved her dearly and it was a blessing to me to spend that time with her. She was a special lady with many special qualities - I am comforted know that she is with Uncle JD. I would love to see them together!!

*Much love to you all,
Pat*

Kelly, May God be with you and your brother and the family in this time of sorrow. Remember we were neighbors, you were in scouts with Scotty & Beaver. In school together in L.J. Steel. Also I worked with your mother at Fireman Fund. She was a very wonderful, sweet lady. Scotty is in DeLand, FL.

MY you feel God's loving arms around you.
