“ *Grandmother you truly will be missed. I treasure to this day all of the time we got to spend together on this earth with you and Granddaddy, and will never forget everything that you did for me. It is hard to even think of how many people that you touched in your life. You were truly an inspiration to me and I hope to be half of what you represented on this earth. I know you are in good hands right now and are once again side by side with man (granddaddy) you are meant to be with for all of eternity. I love you so much, and think about you every single day. You will NEVER be forgotten.##imported-begin##Andy Mielke##imported-end##*

“ *Grandmother,so many of my childhood memories are filled with you and Granddaddy. From the times we went to the cabin, to carrying me bowling on my birthday. I will never forget the smell of breakfast on mornings I spent the night with you or the taste of the wonderful meals you graciously prepared at Christmas. You are now with Jesus, Granddaddy. Tell them I Love them. I miss you both! With all our love, Timothy, Kay and Cherith##imported-begin##Timothy, Kay, & Cherith Bagley##imported-end##*
